By signing, the parent/guardian agrees that Denver Public Schools Staff, including the Nursing Services Manager and/or designee, and the school nurse at the student's school may contact outside providers for further information about the student's medical needs. It is also agreed that the outside provider is granted permission to release confidential information to DPS staff. It is understood that this information will be kept confidential, and will be used only for the purpose of making a decision about the relevance of the Medical Accommodation Plan to the educational needs of the student.

PLEASE NOTE: For medication to be given at home and school, please ask the pharmacist for a separate, accurately labeled medication bottle to be kept at school.
BE ADVISED: It is the Parents/Guardians responsibility to pick up student medication by student dismissal the last day of the school. Medications left unclaimed will be disposed of according to the Colorado Department of Human Services (CDHS) "Guidelines for Medication Administration (2008)."
