

**Pink Pantry Totes of Hope** is teaming up with the staff of Hallett Academy and the Food Bank of the Rockies to offer a supply of nutritious meals and snacks for students over their weekends and extended breaks, free of charge. Bags will be distributed to students at dismissal on the last school day before the weekend or break. Occasionally there will be fresh produce and food available on Friday on the playground by the basketball courts.

**Any child enrolled in Hallett Academy is able to receive these weekly bags of food.**

If you feel like your family is in need from this program, we encourage you to **sign up by filling the form out below and returning it to school.** Only one form is needed per family, but include information for each child on the form below. This information is kept confidential. Once your family is signed up, they will receive bags of food each week until they leave the school or until you no longer wish to participate.

**We encourage you to take advantage of this program for your family and your students.**

Questions or concerns? Please contact:
